Remote control with Internet of Things technology (Option)

Technical Data

Model	AIP 100
Capacity	10~25 bags/min
Ice weight	2~18kg/bag
Film Type	HDPE/LDPE/LLDPE
Film Thickness	≥0.045mm
Bag Sizes	Length: 400~850mm Width: 300~450mm
Air Pressure	≥0.6Mpa
Power	3P/380V/50Hz
Weight	800kg
Size(L×W×H)	3750×1190×2270 mm

Note: Packing speed are relative with the weight of bagged ice.
Factory height ≥ 3.25m.
